## Camp

If your child wants to have fun and you want your child to be in a safe environment with trained counsellors and a program that challenges, then YMCA Day Camps are for you! YMCA Day Camps are a place for fun, friendship and adventure where children can learn, explore, play, and make friends. Basing our programs on our core values of caring, honesty, respect, responsibility, excellence and inclusiveness, we help campers learn and play in a friendly and fair environment.

We carefully select counsellors that are dedicated to providing high quality programs. All of our counsellors have First-Aid and CPR training, as well as training in YMCA leadership skills, safety, emergency procedures and YMCA Healthy Child Development. Our volunteers assist camp counsellors with program activities and are selected based on their experience and commitment to the YMCA values. All staff and volunteers undergo a criminal reference check, including a vulnerable sector check, prior to their start.

## Bus to Brown's Bay

The bus leaves the YMCA (345 Park St) at 8:30am for Brown's Bay. The bus returns to the YMCA (345 Park St) at 4:30pm.

### Camperships

YMCA Of Brockville and Area believes that every child should be able to take part in YMCA Day Camps regardless of their economic circumstances. Eligibility for Campership is determined by family income and size. You may also be eligible to apply if you have unique or special circumstances. For more information, or to apply, please visit us or call 613 342 7961.

### Donations

When completing your registration form, you will be asked to consider making a one time or regular contribution to YMCA Summer Camp. Your support allows children to attend who may not otherwise be able to.

## Day Camps

### Adventure Camp

Experienced adventurers will introduce campers to the world of adventure. Participants will have the opportunity to experience a variety of outdoor skills. Campers will enjoy a variety of other activities such as fire lighting, scavenger hunts, swimming and outdoor activities throughout the program.

### Aqua Camp

This water based camp includes: swimming, skill development, water safety awareness, water sports and games. Your child will attend a lesson each morning as well as join their fellow campers in the afternoon swim. Campers will enjoy a variety of other activities such as arts and crafts, games, gym time, singing and outdoor activities throughout the program.

### Cooking Camp

Come cook up a storm during Cooking Camp where you will learn how to find healthy recipes, grow and prepare food along with making a meal! Each day campers will create a new masterpiece to savour.

### Dance Camp

Experienced dance instructors will introduce campers to the world of dance. Participants will have the opportunity to experience a variety of dance styles to create fun routines. Progressions including rhythm, flexibility and coordination will be the focus of dance camp. Parents and participants can look forward to an end of session dance recital. Campers will enjoy a variety of other activities such as arts and crafts, games, gym time, swimming, singing and outdoor activities throughout the program.

### French Camp

This camp is similar to a recreation camp, except it is offered in French! Campers will get to enjoy the fun of summer camp while splashing away in the pool, meeting a new friend in the tennis court or learning to somersault in the grass!

### Recreational Camp

This all-in-one camp covers it all! Campers will have a blast through structured and unstructured activities. They will hike, play, swim, make crafts, play sports and just have fun!

### Sports Camp

This active camp features a variety of sports, games, and activities. Try your hand at volleyball, squash, football, learn about Pickleball, and take part in cooperative games. Get your muscles in motion by attending this camp. Campers will enjoy a variety of other activities, such as arts and crafts, games, gym time and swimming throughout the program.

### Science Camp

Come see what's brewing in Science Camp! Children will have the opportunity to learn about and explore the world of science. In addition to their special experiments, children will also have the opportunity to join physical activities including outside time and swimming.

### Counsellors in Training (CIT)

Ever thought about joining in on the fun that our camp counsellors have? This is your chance. Come learn the skills that are needed to be hired as a camp counsellor as many of our Counsellors in Training end up becoming camp counsellors. Bronze Medallion will be offered to the CITs, fee is included! This camp is two weeks at Park St. Volunteer hours are not available to CITs.

### Leaders in Training (LIT)

Join us for this two week camp where you learn leadership skills that you can take with you for life. This camp teaches communication, behaviour management and what it takes to be a great leader. Volunteer hours are not available to LITs.
