

Notice to Members: RE: Photography and Videoing at the YMCA

From time to time, we understand you may want to take a photo or video of your time here at the YMCA. You may wish to film or video your work out and we understand your wish to do so but ask that you ensure only you and your party (all of whom have agreed to participate) are in the video or photo.

Please let folks around you know that you wish to film and be respectful of their wishes to not be included. You may have to wait to take your video or photo until such time as the “road is clear to do so”. You are also welcome to ask for the Service Leader at the Front Desk should you need help.

It is important to respect the wishes of others in the YMCA.

A reminder that no pictures or videos may be taken in change rooms or washroom areas.

Our member etiquette, found on the back of your membership card, reminds us that *The YMCA is a shared experience for everyone to enjoy. Each of us can make it better for all by being considerate of others. YMCA members, volunteers and staff all pledge to treat one another with respect and dignity.*

Thank you.

Building healthy communities
